Itinerary

Day 1 : Maun

On arrival in Maun please make your way to Thamalakane River Lodge where you will meet your guide and the rest of the group. The name Maun is derived from the San word “maung”, which means “the place of short reeds”. The afternoon is yours to spend at leisure, either relaxing next to the pool at the lodge or if you are keen for some excitement, why not book a scenic flight over the Okavango Delta.

Day 2 : Khwai River

After breakfast we will be picked up by our local Botswana guides and take a short drive to the mokoro station. From here, we will float in these traditional dug-out canoes through the thick vegetation of the Okavango Delta discovering a variety of birds and wildlife. Unlike other deltas, it flows into the Kalahari Desert without ever reaching the coast. After this spectacular excursion, we make our way to our camp, which is situated in the Greater Khwai region. After settling into our camp, we will enjoy dinner and embark on a night game drive – a fantastic opportunity to spot some nocturnal animals that are more difficult to encounter during the day.

In our open 4x4 vehicle we will explore the Greater Khwai River area on morning and afternoon game drives hopefully spotting a variety of game that frequent this region. This area is renowned for its large concentrations of mammals and its exceptional location makes it a regular host to elephant, buffalo, lion, leopard, cheetah and wild dogs.
